SCHOLARSHIP APPLICATION

Feather River Lapidary and Mineral Society, Inc. is a rock and gem club located in Oroville CA. Our club was founded in 2008. One of our goals is to further the education of our community in the knowledge of rocks, gems, jewelry making, and similar pursuits. We will be awarding multiple \$1000.00 scholarships to students who are studying Earth Sciences. We invite you to apply. Students must either attend a college in Northern California or, if currently in High School, must be planning to attend college and major in Earth Sciences.

The 5 main Earth Science branches are: Geology, Meteorology, Oceanography, Astronomy and Environmental Science. Some of the sub disciplines include (but are not limited to) the following: Geology, geobiology, geochemistry, hydrogeology, limnology, mineral physics, mineralogy, paleontology, petrology, rock and mineral magnetism, seismology, structural geology, tectonics, volcanology, biology, botany, ecology, genetics, fire science, archeology and forestry.
